OLYMPIC GAMES BEIJING 2008

CLEVER WINS FOUR MEDALS

It is with great pride that we take this opportunity to inform all our customers, suppliers and representatives that at this year's Olympic Games held in Peking our company won four medals: Gold and Bronze in Men's Trap with David Kostelecky (Czech Rep) and Alexei Alipov (Russia); Silver and Bronze in the Men's Skeet with Tore Brovold (Norway) and Antony Terras (France)

These results do not happen by chance, they are the result of hard work: of many days spent on shooting grounds around the world supporting our shooters, of continued technical development, of quality and ballistic control that underpin all of our products, of investment in new and high tech machinery, of test firing done at proof and on shooting grounds by our shooters who have given us their input, no longer just sponsored shooters, given that some of them have been with us for over eight years.

There are no secrets in our firm: the winning formula rests with our owner and his close colleagues who with their passion for clay shooting and hunting have created and developed an excellent product. We have had faith in young up and coming shooters who

have gone on to make a name for themselves at national and international levels, we have guided and helped them to develop and they have carried us on to a world stage.

Our thanks goes to all the people who, without their help and faith in us, have allowed us to be the first cartridge manufacturer to win Gold in Men's Trap, the most highly sought after win amongst manufacturers, in two consecutive Olympic Games with two different competitors.

Today Mirage Pro Extra is recognized as the best cartridge in the world for clay shooting, gold medal holder of the 2004 and 2008 Olympics and of the world Record in both Trap (149/150) with Karsten Bindrich (Germany) and in Skeet (150/150) with Tore Borvold (Norway), results obtained during the European Championships held in Cyprus 2008.

Our sales team is always at your disposition for any orders you wish to place or questions you may have and we can assure you of our best attention at all times.
